The selection of candidates will be based on the marks obtained in the prescribed subjects reduced to 200 (Mathematics : 100, Physics + Chemistry : 100) in the qualifying examination.

### (ii) Normalisation of Marks and Inter-se Merit

As per Tamil Nadu Acts No.3 of 2007, dt: 05.03.2007 and G.O. (Ms) No.77 HE (J2) Dept, dt: 05.04.2007, the marks obtained by the students in the relevant subjects in the qualifying examination conducted by various Boards or Authority shall be equated with the marks obtained by the students in the same subjects in the qualifying examination conducted by the State Board of Tamil Nadu by adopting the method of normalisation.

(e.g.) If the highest mark secured by the student of State Board of Tamil Nadu in Physics is 100 and the highest mark secured by a student of any other Board in the same subject is 90 both the highest marks will be considered to be equal to 100. If a student of the other Board secures 60 marks in Physics when the first mark in Physics in the same Board is 90, 60 marks will be considered to be equal to 66.66 marks as arrived below.

$$\frac{100 \times 60}{90} = 66.66 \%$$

After normalisation of marks in the relevant subjects in the qualifying examination conducted by different Boards, the qualified students shall be merged into a common merit list.

In the case of candidates who have qualified from **National Boards** namely CBSE and ISCE, the highest mark obtained in the relevant subject by the candidates at the National Level alone will be taken into consideration for normalisation.

The Other Boards will be requested to furnish the maximum marks scored in the relevant subjects. In case, such marks are not available before the preparation of rank, the maximum marks scored in that Board will be considered as 100 %.

For minimum eligibility, normalised marks will not be considered.

A merit list will be prepared based on the total mark of 200. In cases where more than one candidate have got the same marks in the common merit list, the inter-se-merit among such candidates shall be determined in the order of priority as specified below.

(1) Percentage of marks in Mathematics, (2) Percentage of marks in Physics, (3) Percentage of marks in the Fourth optional subject, (4) Date of Birth (elder will be given preference) & (5) Random number assigned (higher value will be given preference).

The overall rank and Community wise rank lists will be published in Directorate of Technical Education website <https://www.tndte.gov.in> or <https://www.tneaonline.org>. The overall rank is prepared based on the merit list with the defined procedure for tie-break (Refer Section. 6 of Information and Instructions to candidates). The overall rank and community rank will be published in the official TNEA Web portal (<https://www.tneaonline.org> or <https://www.tndte.gov.in>). A week is reserved for addressing applicants' grievances after the publication of the rank. In case of grievances, applicants can contact the office of the Secretary, TNEA at Directorate of Technical Education, Chennai 600 025.
- B) **Counselling:** The applicants will be grouped based on their rank and each group of applicants will be allowed to participate in counselling according to their turn. TNEA 2020 will have four to five rounds of counselling. The applicant has to login into the TNEA portal by using his/her user ID and Password (same as that used at the time of registration) for performing various activities in a particular round. The procedure for each round of counselling is as follows:
- 1) **Publication of eligible applicants:** The list of eligible applicants for a particular round will be published in the TNEA portal.
  - 2) **Payment:** Applicants should pay an initial deposit of Rs. 5000/- for general category and Rs. 1000/- for SC / SCA / ST candidates belonging to Tamil Nadu, through online mode of payment (Net Banking / Credit Card / Debit Card / Demand Draft ) by using the TNEA portal, according to the payment schedule of the round.
    - Applicant can participate in the counselling only after the successful payment of the initial deposit. Hence applicant are advised to make the payment well in advance of the scheduled time.
  - 3) **Adding Choices:** After successful completion of payment, those applicants in the current round can add choices to their list (in order of preference) to be considered for allotment by using the TNEA portal.

- Two days are provided to enter choices from the commencement of round (24 hours for first two days and up to 5.00 P.M. on the second day).
  - A choice refers to a branch in a college.
  - The order of preference is the applicant's priority of choices for allotment of seats ordered from the most preferred to the least preferred. For example, Choice number 1 will be considered the most preferred choice for allotment. If Choice number 1 could not be allotted based on the rank, Choice 2, 3, 4 and so on (strictly in that order) will be considered for allotment.
  - The TNEA portal has provisions to add choices in multiple ways to the list in the order of preference (for more information visit TNEA portal). Applicants are advised to save the choices made at regular intervals.
  - A format sheet for Choice Preparation is available in the TNEA portal and can be downloaded by the applicants from the TNEA portal. Using this Sheet, they can prepare the choice list from their respective homes. They are advised to be ready with the filled-in Choice Preparation Sheet before logging into TNEA portal for choice entry.
  - The applicant should prepare the Choice Preparation Sheet by referring to multiple sources like:
    - Information about colleges.
    - Checking the vacancy position from TNEA portals.
    - Checking previous years' minimum cut-off with respect to the applicant's preferred choice using the TNEA portal.
    - Enquiring about and gathering first-hand information about the applicant's preferred choice from different sources.
    - Various other information like NBA, NAAC, etc.
- 4) **Locking Choices:** After adding their choices, applicants should lock their choices before 5.00 pm on the second day from the commencement of the counselling round.
- Applicants shall verify the choice list and reorder their order of preferences, if necessary and ensure that their choice list is in proper order before locking them. Once the choices are locked, the applicant cannot add to / modify the list.
  - Applicants' choice list can be rearranged and modified in many ways through the TNEA portal. (For more information, visit TNEA portal.)
  - After locking the choices, a PDF document containing the list of choices locked by the applicant will be sent to the applicant's registered email with the generated integrity code. The integrity code is to prevent any further modification to the applicant's choice list that has been submitted.
  - If applicants fail to lock their choices within the stipulated time, the system itself will lock the choices.
    - The applicant's list, as available at the time of locking, will be considered for allotment on the basis of rank and the order of applicant's preferences.
    - If no choices were added by the applicant at the time of locking, the applicant shall opt to participate in the next round of counselling, if further round(s) of counselling has/have been scheduled. Otherwise he/she has to quit counselling.
- 5) **Tentative Allotment:** After the locking of choices by the applicants, the system will, tentatively, allot the choice based on rank and the applicant's order of preferences. The same can be viewed the following day after locking the choices by the applicants through their login.
- 6) **Submission of Allotment Options:** After the tentative allotment, the applicant shall either confirm or decline or reject the allotment. The allotment option is given to get the applicant's decision on the tentative allotment. The different allotment options that can be exercised by the applicant are:
- If the choice of an applicant is allotted tentatively, the applicant can exercise the following options:
    - a) Confirm the tentatively allotted choice

- b) Confirm the tentatively allotted choice with upward movement
    - **Upward Movement:** If a higher order preferred choice is available during the final allotment, it will be allotted by rank to an applicant who had opted for upward movement without any further confirmation.
    - The above option is not applicable if the tentatively allotted choice happens to be the first preferred choice of the applicant.
  - c) Decline the tentatively allotted choice and opt for upward movement
    - If a choice is allotted in case of upward movement without any further confirmation, that choice will be allotted to the applicant. Otherwise, the applicant becomes automatically eligible for the next round of counselling, if there are further rounds of counselling.
    - The above option is not applicable if the tentatively allotted choice happens to be the first preferred choice of the applicant.
  - d) Decline the tentatively allotted choice and opt to participate in the next round of counselling as per the next round's vacancy position
    - The above option is not applicable if no further rounds of counselling are available.
  - e) Quit Counselling
- If none of the applicant's choice could be tentatively allotted on the basis of rank, the applicant can exercise the following options:
    - a) Opt for upward movement
      - if a choice is allotted in upward movement, it will be allotted to the applicant without any further confirmation. Otherwise, the applicant becomes automatically eligible for the next round of counselling, if there are further rounds of counselling.
    - b) Opt to participate in the next round of counselling as per the next round's vacancy position
      - The above option is not applicable if there are no further rounds of counselling.
    - c) Quit Counselling
  - Applicants who fail to submit the allotment option within the stipulated time have to forgo the tentatively allotted seat if any seat has been allotted tentatively. Such applicants' tentatively allotted choices will be subsequently allotted to those applicants who appear for that particular round on the basis of rank. The applicants who fail to submit their allotment option are eligible to participate in the next round of counselling. But if there are no further rounds of counselling, the applicant has to quit the counselling.
- 7) **Final Allotment:** After submission of allotment options, the final allotment will be done by the system based on rank and the applicant's allotment options that have been submitted. The final allotment order can be viewed and downloaded by the applicants through their login in the TNEA Web portal.
- C) **Admission:** After the final allotment, the applicant has to report to the respective college for admission on or before the last date specified in the provisional allotment order. The applicant shall remit the remaining fee (deducting the initial deposit paid to TNEA) at the time of admission in the college. In case the applicant failed to join before the last date specified, he/she has to forfeit the seat and cannot claim his/her seat later. The provisional allotment made to him/her will be automatically cancelled.
- D) If a candidate forfeit the allotment or candidate who could not get any allotment in this counselling process can claim refund of the initial deposit from TNEA. The refund will be made according to the TNEA procedure.

**Counselling for (i) Eminent sports persons, (ii) Differently abled persons, (iii) Sons and daughters of Ex-service men, (iv) Vocational candidates and (v) Supplementary Counselling and counselling for vacant seats of SCA after completion of general Counselling will be held in online only. Applicants must ensure that all online counselling activities like making payment, adding choices, locking choices, tentative allotment, submission of allotment option and final allotment are performed at the official TNEA Web portals (<https://www.tneaonline.org> or <https://www.tndte.gov.in>) only.**
