Dear Karthiga,

Sub: Invitation for an Alumni Guest Lecture on “Soft Skills” - Reg.

The Department of Information Technology, Kamaraj College of Engineering and Technology, Madurai is organizing an **Alumni Guest Lecture on 26-10-2021 (Tuesday) from 2 pm to 3 pm**. We would be glad if you could share your knowledge and expertise on the importance of “Soft Skills” with your juniors.

I crave you to help your juniors with the available career options, their importance, and the relevance of specific fields in industry and placement opportunities. Our students might be having a plenty of questions to opt for a career path and this would provide them a clear picture of the current scenario of the industry and a wide range of opportunities in real world.

Activity Report

Date: 15/12/2021

KCET volunteers organised an awareness rally on anti-drugs and anti-tobacco at Myettanpatti. Prof. Dr. S. Senthil, the Principal, initiated the rally with his inspiring words. Volunteers started from the college to Myettanpatti. It was a very energetic rally. Volunteers awoke awareness in the hearts of the public. I hope that it will be a useful and memorable event.

Activity Report

Date: 31/12/2021

All the first year NSS volunteers were assembled together to participate in the identification of the beneficiaries from their adopted village, which was trained by Dr. Sunil Kumar, from Benchmark Medical Trust, Virudhunagar. The session was very interesting; volunteers realised the value of life and the needs of the beneficiaries.

Circular

The Department of Computer Science and Engineering is organizing a one day workshop on “IoT Projects” through ISTE Students Chapter on 09.03.2021 for III CSE students.

Resource Person: Industrial Person from Quantanics TechServ (P) Ltd.,

Objective of the Workshop

Explain the basic concepts of IoT and the requirements to design own IoT solutions

TOPIC OF THEORY	HANDS ON PRACTICAL (Individual)	REQUIREMENT OF MATERIALS
IOT Introduction, Basics of C Programming, Basic Electronics	Setting up Arduino IDE, LED Blinking, Traffic Light System	For Software - Student Laptop/Desktop For Hardware - Kit will be provided by Quantanics
Diving deep into C programming (functions)	LED control using push button, Motor switching on using relay	For Software - Student Laptop/Desktop For Hardware - Kit will be provided by Quantanics
C pointers, arrays and memory allocation	Temperature sensor to display temperature	For Software - Student Laptop/Desktop For Hardware - Kit will be provided by Quantanics
ESP 32/ ESP8266 architecture	LED and Switch Control basics using ESP	For Software - Student Wifi, Laptop/Desktop For Hardware - Kit will be provided by Quantanics
Timer	Counter, Clock	For Software - Student Laptop/Desktop For Hardware - Kit will be provided by Quantanics

Department of Computer Science and Engineering
ISTE Students' Chapter

PWM	PWM Example Project	For Software - Student Laptop/Desktop For Hardware - Kit will be provided by Quantanics
-----	---------------------	--

Course Outcome

At the end of the one day course students will be able to develop IoT projects for realtime problems

Report on Workshop "AWS Cloud"

06.09.21

Cloud computing is a recent technology which is useful in storing and accessing data and programs over the internet instead of our computer's hard drive. Cloud computing is so important because it offers flexibility, data recovery, little to no maintenance, easy access and a higher level of security. Cloud storage is one of the greatest benefits cloud computing has to offer. Data can be accessed from any device and anywhere in the world, which is ideal for remote workers and offices.

As the lead cloud computing platform, Amazon Web Services (AWS) is the primary profit driver for Amazon. AWS provides servers, storage, networking, remote computing, email, mobile development, and security. Being an AWS certified opens many opportunities for landing a good, and high-paying career. It grows credibility that will help the students to grow in their career.

As part of curriculum for IV Year students, the subjects Cloud computing is included. Practical knowledge is also imparted through a practical subject. It is very crucial for the students to have a deep knowledge in Cloud to be selected in interviews.

To support the students in getting deep knowledge in Cloud Computing, a four day workshop on "AWS Cloud" was conducted from 01.09.21 to 04.09.21. Mr.S.K.Karthik Kumar, Technical Consultant, Autosec Systems was the resource person. It was sponsored by STE students' chapter. One hundred and five students attended the workshop and actively participated. They were able to explore new concepts in Cloud computing and were able to use AWS Cloud. Hands on experience helped them to use cloud for storage, networking and remote computing.

Dear Sivanesh Kumar,

Sub: Invitation for an Alumni Guest Lecture on “**Software Development using AGILE**” - Reg.

The Department of Information Technology, Kamaraj College of Engineering and Technology, Madurai is organizing an **Alumni Guest Lecture on 27-09-2020 (Sunday) at 5 pm to 6 pm**. We would be glad if you could share your knowledge and expertise on “**Software Development using AGILE**” with your juniors.

I crave you to help your juniors with the available career options, their importance, and the relevance of specific fields in industry and placement opportunity in every field. Our students might be having a plenty of questions to opt for a career path. This would provide them a clear picture of the actual place of the field and a wide range of opportunities in real world.
