**VISION OF THE DEPARTMENT**

To make the Department of Computer Science and Engineering the unique of its kind in the field of Research and Development activities in this part of world.

**MISSION OF THE DEPARTMENT**

To impart highly innovative and technical knowledge to the urban and unreachable rural student folks in Computer Science and Engineering through "Total Quality Education".

## **PROGRAM EDUCATIONAL OBJECTIVES**

### **PE01**

Apply the necessary mathematical tools and fundamental knowledge of computer science & engineering to solve variety of engineering problems.

### **PE02**

Develop software based solutions for real life problems and be leaders in their profession with social and ethical responsibilities.

### **PE03**

Pursue life-long learning and research in selected fields of computer science & engineering and contribute to the growth of those fields and society at large.

## **PROGRAMME SPECIFIC OUTCOMES (PSOs)**

### **PS01**

**Professional Skills:** The ability to understand, analyze and develop computer Programs in the areas related to algorithms, system software, multimedia, web design, big data analytics, and networking for efficient design of computer-based systems of varying complexity.

### **PS02**

**Problem – Solving Skills:** The ability to apply standard practices and strategies in software project development using open-ended programming environments to deliver a quality product for business success.

## ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering was established in the year 1998 with the initial intake of 40. The primary objective of our department is to provide "Total Quality Education" in the field of Information and Communication Engineering, amid 120 students per year. Computer Science & Engineering, a dazzling department for ever is always a forerunner in imparting innovative & technical knowledge to the aspirants. The department of Computer Science and Engineering has excellent infrastructure facilities and is powered with the highly sophisticated lab with higher configuration systems and servers with the recent software updates to meet the demands of the IT industry, Research and Development organizations and computer related areas. The department offers an excellent academic environment with a team of highly qualified faculty who are technically sound and talented persons. Our staffs monitor the student's performance regularly and give moral support and motivation to them. Our department has a separate association called CYBER-HEFT through which we conduct various technical events to students.

## MESSAGE FROM HOD

I am happy to note that the Department of Computer Science and Engineering is releasing its Newsletter for November and December 2022 enumerating the various activities and achievements of our faculty and students.

The department endeavors to produce confident professionals tuned to real time working environment. The department offers excellent academic environment with a team of highly qualified faculty members to inspire the students to develop their technical skills and inculcate the spirit of team work in them.

- Dr.A.Meenakshi
